TONY BARR

*Turn to us with love and compassion,
wake your pow'r, and make haste to save us.*

God has spoken to us words of peace
and with words to give hope, for our
Who is never too far from the open of his
and in wisdom shall we understand.

On the day truth and kindness
peace and justice embrace the world
From the earth hope and
the dawn of new light
from the heaven shall unfold

Then the blessing of God shall be
at whose hand the world bears fruit
Peace and grace as our
