Show mercy to your people,  
and let your love be life for  
Teach all your ways,  
that you will not abandon us.

Sing out with joy,  
rejoice each day in thankfulness.  
Be glad and welcome justice,  
embrace the path which guides our way.

May every nation claim you,  
the source of life surrounding us,  
that we find strength and healing,  
and sing your glory endlessly!
