

Word of God

Nancy Douglass

Verses

1. A message of hope to me or you, in glad-ness for all the oppressed,
the gladness for those who can't see the dawn:
Jesus, Anointed One of God!
2. Have faith in your God and have faith in Me;
all that you ask, I will do.
So in the Son the Father glorified:
Jesus, the Way, the Truth, the Life!
3. The Lamb that was slain, how worthy is He
to receive honor, power, and strength.
He'll shepherd His people, and lead them into life:
Jesus, enthroned with God on high!
