

Redeem Us, O Lord, Because Of Your Mercy

Psalm 44:10-11, 14-15, 24-25

Orin Johnson

Re - deem us O Lord, be - cause of your mer - cy.

1. Yet now you have cast us off and put us in disgrace, and you go not forth with our armies.

2. You made us the reproach of our neighbors, and the mockery and the scorn of those around us.

3. Why do you hide your face, and forget our woe and our oppression?

1. You have let us be driven back by our foes; those who hated us plundered us at will.

2. You made us a laughingstock among the peoples.

3. For our souls are bowed down to the earth; our bodies are pressed to the earth.
