Psalm Verses from Psalm 118

Tony Barr

Give thanks to our God whose mercy is for aches unending
Let the people of covenant say God's mercies for aches unending.

The right hand of God is strong and awesome, the right hand of God has brought us to victory
I shall not die, I shall live, and I shall praise in the mighty deeds of the Living One.

The stone which the builders discarded has become for all Ages the corner-stone.
Yes! God has done this for us, whose marvels are for ever before us.
